INDEPENDENT AUDITOR'S REPORT

To
The Members of
M/s. City Benefit Fund (Kumbakonam) Nidhi Limited

Report on the Standalone Financial Statements

Opinion

1. We have audited the accompanying standalone financial statements of **M/s. City Benefit Fund (Kumbakonam) Nidhi Limited** ("the Company"), which comprise the Balance Sheet as on March 31, 2026, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

2. In our opinion and to the best of information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as on 31st March 2026, its Profit and its cash flows for the year ended on that date.

Basis for Opinion

3. We have conducted the audit in accordance with the Standards on Auditing (SAs) issued by ICAI. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Benefit Fund in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with ethical requirements that are relevant to our audit of the financial statements in India, and we have fulfilled other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence that we have obtained is sufficient and appropriate to provide a basis for our Audit opinion on the Standalone financial statements.

Key Audit Matters	How our audit addressed the key audit matters
Existence, Valuation, and Recoverability of Gold Pledged Against Jewel Loans The Company's primary lending product is gold-backed loans, where advances are secured by gold jewellery pledged by customers. As at the reporting date, these loans constitute a significant portion of the Company's total assets. The inherent audit risk arises from: ● The need to establish the existence and condition of gold held at multiple branch locations. ● Potential volatility in gold prices, which could impact the adequacy of security cover and provisioning for credit losses.	Our audit procedures included, among others: ● Understanding and evaluating the Company's accounting policy for measurement of loans and collateral, including compliance with the applicable financial reporting framework. ● Evaluating the design and implementation of key internal controls over acceptance, appraisal, storage and periodic verification of pledged gold. ● Assessing the operating effectiveness of relevant controls, including review of internal audit reports covering random jewel packet weight checks and physical counting and branch re-appraisals conducted by independent appraisers.

Auditor's Report (Contd...)

- The operational risk of re-pledging, where the same borrower may obtain multiple loans across different identities or branches.
- Management mitigates these risks through conservative lending policies, including a maximum Loan-to-Value (LTV) ratio and a cap of Rs.15,00,000 per borrower and a robust internal control environment. This includes periodic internal audit checks of randomly selected loan packets, re-appraisal visits to all branches and customer data analytics to detect multiple accounts linked to the same PAN or contact details.
- Given the materiality of jewel loans, price volatility risk, and reliance on controls at a large number of branches, we identified this area as a key audit matter.

- Performing independent branch visits covering all 9 branches during the year to physically inspect and weigh a sample of pledged jewelry and to perform jewel packet counts.
- Testing, on a sample basis, loan documentation and appraisal reports to verify compliance with the LTV policy and Rs.15,00,000 single borrower cap.
- Reviewing management's analysis of gold price trends, including sensitivity analysis for potential price declines and assessing whether such analysis was factored into provisioning decisions.
- Performing data analytics on customer records to identify possible re-pledging risks by detecting multiple accounts linked to the same PAN, mobile number or other identifiers.
- Assessing the adequacy of disclosures relating to jewel loans, collateral valuation and provisioning in the financial statements.

Management's Responsibility for the Standalone Financial Statements

4. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Accounting Standards and other accounting principles generally accepted in India, including the Accounting Standards prescribed under Section 133 of the Act, read with the provisions of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatements, whether due to fraud or error.

Auditor's Responsibility

5. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. also:

Auditor's Report (Contd...)

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the Internal financial controls over financial reporting of **City Benefit Fund (Kumbakonam) Nidhi Limited** ("the Company"), as on 31st March 2026 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that are operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. Auditor's Report (Contd...)

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting are operating effectively as at 31 March 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1. SIGNIFICANT ACCOUNTING POLICIES

1.1 Use of estimates:

The preparation of the financial statements in conformity with GAAP requires the Management to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to contingent liabilities as at the date of the financial statements and reported amounts of income and expenses during the period. Examples of such estimates include computation of percentage of completion which requires the Company to estimate the efforts or costs expended to date as a proportion of the total efforts or costs to be expended, provisions for doubtful debts, future obligations under employee retirement benefit plans, income taxes, post-sales customer support and the useful lives of fixed tangible assets and intangible assets.

Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as the Management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

1.2 Revenue recognition:

a) Income is recognized on accrual basis on performing assets and on realization basis in respect of non-performing assets as per the prudential norms prescribed by Reserve Bank of India.

b) Interest income on deposit accounts with banks is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.

c) Locker Income is accounted on cash basis.

d) Other Charges are recognized at the commencement of the contract when the right to receive the same is established.

1.3 Valuation of Inventories:

The company is a Nidhi company and does not hold any inventory except that of stock of printing and stationery. The company holds stock of books and forms, which is classified under other current assets. The cost of the forms is stated at cost price.

1.4 Cash Flow Statements (Annexure A):

Cash flows are reported using the indirect method as prescribed in AS-3, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of the past or future cash receipts or payments. The cash flows from regular revenue generating, investing and financing activities of the company are segregated.

Cash and cash equivalents.

Cash and cash equivalents are held for the purpose of meeting short term cash commitments. Cash equivalents are short term highly liquid investments that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value. Cash and cash equivalents include cash in hand, cash at Bank, cheques in hand, remittances in transit and short-term investments with an original maturity period of three months or less.
